Read the following:--

REFERENCE:

The Board invites the attention of the Government to the orders issued in G.O. No. Ms. 1853 Revenue dated 14th August 1941, sanctioning the continuance for a further period of one year from 19-9-1941 of the additional staff ~~of~~ one Assistant Inspector of Excise III Grade and 5 peons in the Bellary Circle.

The work in Bellary Circle is very heavy for an Inspector and if he is permanently assisted by an Assistant Inspector the administration of the Circle will be more efficient. Bellary circl is definitely an Illicit Distillation Circle and the worst offenders are Sugalis ~~of Thandas,~~ who resort to Illicit Distillation as a mea of livelihood. Particular attention is needed to check this and th services of the Assistant Inspector and the peons are of great help to the Inspector.

A statement showing the total number of cases detected during the past five years in the Bellary Circle and the statistics of cases reported and enquired into by the Assistant Inspector is enclosed. The figures ~~should~~ show ~~reveal~~ that the crime in the Circle is heavy and the detection by the Assistant Inspector contributed a fair share to the Circle detection particularly under Illicit Distillation Offences - heads IV and V. The temporary staff of one Assistant Inspector and five peons of the Bellary Circle has been in existence from 19-9-36. By 18-9-1942 the date of expiry of the present sanction, the temporary staff will be completing 6 years' continuous existence. Provision has also been made in the budget for the temporary continuance of the staff for another year. The Board is convinced that the permanent sanction of a staff of one Assistant Inspector, III Grade and 5 peons is a real necessity for the efficient management of Bellary Circle and reques that the Government may be pleased to sanction the permanent retention of the staff.
